Disclaimer: If you got this from any source Other Than < 9606623245 WhatsApp > – it is FAKE/COPIED!

Please send your resume to the Email ID mentioned with the job opening – *matching your skill-set & preference* - with proper email subject and email body text. Most of these openings you won't find on Job portals. Why? Because MNCs & other Companies outsource this work to consultancies – to find candidates for them.

Email Subject: "Position | Current Location | Experience"

E.g., "Test Automation | Bangalore | 5 Yrs"

Note: Current Location should not be your hometown where there are NO IT companies. Keep it like Chennai/Bangalore/HYD/Pune/MUM/Delhi/AHD/Noida/GGN/etc.

Hi,

Got to know that you are hiring. I am looking for a "Test Automation" position. Below are my details,

- **Current Role:** Automation Engineer | Test Lead | Test Engineer | Quality Analyst | QA Manager | etc.
- **Current Location:**
- **Experience:** 5 Yrs
- **Skills:**
- **Tools:**
- **Certifications:**
- **Current CTC:**

Attached is my resume for reference. Please share it with your colleagues. Do let me know in case you need any further information.

Thanks & regards,

Your name

Contact No -

Tip: **STOP** mentioning notice period in the Email. ONLY mention "Serving Notice" in the Email Subject & Body if you are already on notice period.
